

We are just back in London and off to Italy tomorrow but I just wanted to say a HUGE thank you! From start to finish you were awesome!!! I wanted to send you some images from the day so you could see how beautifully the flowers worked with the colour scheme and how beautifully you styled the space. EVERYBODY commented on how beautiful it was.

Table designs from £120

Personally, for me as the bride, the flowers were one of the only 'on the day surprises' and never in my wildest dreams did I expect it would be pulled off quite so exquisitely. I really enjoyed your creativity and the personal approach you took to designing something unique that you felt we would love. I really loved that you invested so much time in chatting to me in our initial phone conversation, I could sense your passion for your art and it helped me feel inspired. I knew I could trust in you to deliver something better than I could ever have imagined, briefed or 'pinned'.

Rachel was fab throughout the planning process and really pulled it out of the bag...she is fun, thoughtful and puts 100% effort into finding out what you really want. Everyone couldn't believe our flowers and we were very proud of them. She has the best ideas and goes above and beyond!
